Dear Ms. Christina Hildebrand,

This is in response to your PRA dated June 12, 2016 that was emailed to sacdhrs.saccounty.net on 6/29/16. Please find attached a copy of the power point presentation that we have used for educating parents and school officials about SB277. In addition, I have requested that school districts within the County fax to my office a copy of any medical exemption requests the district receives. Identifying information is redacted from the copies. These are being collected for tracking purposes. A copy of the template of that request is attached.

Regards,

A handwritten signature in black ink that reads "Olivia Kasirye MD".
